

Protocol filenames for receipt of abstracts

To facilitate the management of abstracts please use the following protocol to name your document.

As follows: **Topic_W_Author_(et_al_)Firstwordtitle.doc**

Explanation keys:

Topic: Geol, SoilS1, Soils2, Soils3

Geological 3D Modelling: Geol

Soil functions and threats:

S1. Soil contamination.

S2. Soil maps.

S3. Soil erosion.

W: (O). Oral or (P). Poster

Author: Only first letter upper case. For more than one autor add **_et_al**

Firstwordtitle: Only first letter upper case

Please use an underline to separate the words

Example:

For only one author: Geol_O_Author_Title.doc

For more than one author: S1_P_Author_et_al_Title.doc

Thank you for your collaboration.
